## Important Info:

- **Home improvements** require approval by submitting [ARC FORM](#)
- **SWPOA meetings are held the second Tuesday every month at 7pm – Lower Level Tiff & Jays**
- **Call 3-1-1** for city maintenance issues that need attention. This includes tree trimming, bulk trash scheduling and other city services.

# VOLUNTEER

SWPOA has lots of ideas in mind for social events, but we need help coordinating them! If you've ever wanted to get involved, this is a great way to meet some neighbors! Social events don't happen without volunteers, please let us know if you can help organize an activity!

## GOLF CART SAFETY

Spring weather has everyone excited to be outside. Now is a perfect time to teach, or remind our children about road safety.

- RESPECT other drivers and obey traffic rules
- Limit passengers to golf cart capacity
- Be aware of surroundings: small kids, bikes, or property
- Ensure golf carts have lights, or are visible in the dark to prevent accidents

## YOUR PET. YOUR RESPONSIBILITY.

- KCMO leash law prohibits dogs from roaming free in public areas
- Pets are required to be registered and secured on your property
- Your pet should be collared and tagged
- Please be courteous and clean up after your pet
- Contact 311 for animal-related complaints

## HOMEOWNER RESPONSIBILITIES

Remember to submit an Architectural Review Committee (ARC) form prior to painting or starting exterior projects. Some projects may require city permits as well.

Contact Joe Folsom or Dave Reyburn for more info regarding approval of home improvement projects!

### SWPOA Monthly Meetings:

- 2<sup>nd</sup> Tuesday every month
- 7pm
- Lower-level of Tiff & Jays

You are always invited to join; we encourage your attendance and we value your input!

*If you're not on our email list, please let us know via the "contact us" link on our new website!*
